Our Skin Care Range

Facial cleansing gel

This unique blend of essential oils was formulated to reduce oil, clear up pores and leave the skin with a refreshed glow.

Facial toner

This lovely synergy of oils will cleanse and refresh the skin by removing excess oil, reduce the size of pores and give a vigorous radiance.

Daily moisturiser

A gentle yet nourishing day cream containing rice bran and jojoba oil. This blend is enhanced by natural agents to create a soothing, moisturising and protective layer for your skin.

Skin perfect cream

A gentle night moisturiser combining the active potency of five natural extracts to enhance and brighten skin tone, reduce visibility of age spots, and nourish and hydrate the skin.

Facial exfoliator

A gentle emulsion scrub containing synthetic and natural exfoliation to gently remove dead skin cells. This blend of natural extracts was specifically formulated for conditions associated with skin blemishes. The best results are obtained by using this products twice a week.

Tissue oil

This natural harmony of oils will nourish and moisturise the skin. It contains arnica extract, lavender and geranium essential oils, as well as Vitamin E.
